Ref. No.: CDPL/SITP/2026/01

Date: 21 June 2026

Subject: Launch of Summer Industrial Training Program (SITP) – 2026

Cystas DevSoft Private Limited is pleased to announce the commencement of its **Summer Industrial Training Program (SITP) – 2026**, a two-month industry-oriented training initiative aimed at providing students and fresh graduates with practical exposure to real-world projects, professional mentorship, and skill development opportunities.

The program has been designed to bridge the gap between academic learning and industry requirements by offering hands-on experience in emerging technologies and business domains. Participants will have the opportunity to work on practical assignments, live projects, and industry-relevant case studies under the guidance of experienced mentors.

The training program shall be conducted for a period of **Two Months (08 Weeks)** and will be open to undergraduate students, diploma students, postgraduate students, and fresh graduates. Training will be offered in various domains including Full Stack Web Development, Java & Spring Boot Development, React.js Development, UI/UX Design, Digital Marketing, Sales & Business Development, and Software Testing.

A nominal **Registration Fee of ₹200/- (Rupees Two Hundred Only)** shall be charged towards administrative expenses, training management, evaluation, and certification.

Upon successful completion of the program, participants shall be awarded a **Summer Industrial Training Certificate**. Exceptional performers may also receive a **Letter of Recommendation** and may be considered for future **internship opportunities**, project collaborations, or employment opportunities subject to organizational requirements and individual performance.

Participation in the program shall not be construed as employment with the Company. Completion of the training program does not guarantee placement or employment. All participants shall be required to maintain professional conduct and comply with the Company's policies, rules, and confidentiality requirements throughout the duration of the program.

This Office Order shall come into force with immediate effect.
